I love you Big Bro always have and always will. This isn't a goodbye but see you later. I'm going to miss you so much joking, laughing and having a good time. To just talking about life plans and most importantly to tell you I love you big head. One thing about you is your ambition and if you had a plan you were sure to see it through true definition of a go-getter. I loved every moment, so many memories but your legacy will live on forever. With love always Big Bro, Rest in Paradise 🥺🥺🥺

“ Hey Troy,
Just checking in to say I miss you a lot. As We get closer to Your Cousin / Nephew Kamari's Middle School Graduation; I wanted to tell you that you would be proud of him, He's Graduating the 8th grade with Honors. He told me he missed you the other day and said missed going to the park and playing basketball and going to the barbershop with you (affectionately known as Uncle Troy) and Uncle Cardel. I am grateful that you were here, you played a major part in Kamari's life, and I am eternally grateful. I love you Always and continue to Rest Well

“ I miss you! You will forever be in my heart and in my mind! Love you always Big Bro! You were more than just a brother but also a true friend one of my best. When we were kids you would always pinch and bite my cheeks until they turned red and I would tell mommy on you but you would take me to the store and get a bunch of candy so we was cool then. Lol I'm sure going to miss you, but until we meet again the memories we have will forever be in my heart! Love you Broski 🥰

“ Cousins are your first Best Friends! Growing up you were more of a Brother than a Cousin.. Thick as thieves ..lol I'll will never forget the love, encouragement and support you gave me. It was absolutely hard raising a Boy.... But you did what a big brother would, you stepped in and helped out... but that was just who you were as a person! I'm just glad that God gave you to us for the years he did . Now he needed you back... So take your Crown and Rest well! I love you
