“ To the family of Troy:

I wanted to send my deepest condolences to your family. May the memories of Troy help to ease your pain of sorrow.

The Scriptures promised a resurrection at Acts 24:15 & John 5:28 & 29. We can see our dead loved ones again; right here on the earth but under different conditions (Psalms 37: 9, 10, 11 & 29).

I hope these Scriptures can bring you a measure of comfort until the fulfillment of them.

Love,

“ My condolence to the family. It times like these that we need comfort from the Bible. The Bible promises that our dear loved ones have the hope of the resurrection hear on earth in the near future we find this promise at (John 5:28, 29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice 29 and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment. The resurrection is possible because God sent his Son to give his life for us. So it is an expression of Jehovah’s love and undeserved kindness.—Read John 3:16; Romans 6:23.
