“ Our deepest sympathy for your loss. Trudye was so loved by our club members. She was a member of our club, Peninsula Heritage Miniature Society since 1981. Even when she was not in the area , we had kept in touch. When she was here, we had many good times going to miniature shows and in the building of the miniature of the Moore house in Yorktown for the bicentennial in 1981. She will be missed by all who knew her.

Our prayers are with the Family. May God bless all of you during this time of grief.

We so loved her .

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 5yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
