“ I am very sorry about the death of Tyrone. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span was 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ To the family of I offer my most heartfelt condolences. It is very hard to lose a loved one, and so heartbreaking to lose a child. I know, because I too lost a son. But my hope is also in the promises of Jehovah God and Jesus; to bring our loved ones back to life in a peaceful new world. WE all long for that new world to come. Until then, my dear brothers and sisters, may we all continue to have plenty to do in the work of the Lord, knowing that our labor is not in vain in connection with the Lord." This is what would have wanted us to do. Then when we see our children again in the resurrection, we will be able to say: "Death, where is your victory? "Death, where is your sting? 1st Cor. 15:55. May our loving father, Jehovah, continue to give you the strength that you need to go on, as well as the comfort. May your memories of bring you much joy. I look forward to meeting her in the new world, as well as your family.##imported-begin##sorry2 hear##imported-end##
