“ *SSAkal ji to all, Dr. Ujagar Singh Bawa ji was foundation stone of Sikh community specifically in the Washington Metro area in early days who organized youth camps and held various seminar on Sikhi to teach the Sikh way of life to us and others. Finally Dr. Bawa build the Sikh Gurdwara to continue his legacy which was his wish from day one. We all and our family will miss him very much but his teaching will be always with us. We pray to God to give strength to family to bear this loss. Gurjendra & Harpreet Bedi & family*

“Guru Fatih! Dr. Ujagar Singh Bawa was "clear" in his approach, displayed tiger-like behavior, and considered his body a temporary play of "toy." How true to his given, collective, and tribal name! He commenced his journey towards the Timeless and the Deathless, that's 'Akal Chalana' in Sikh parlance. May the family and the 'Sangat' cherish his memories, nurture his virtues, and live in the Remembrance of the 1Force who Calls us mortals every day! An economist and the translator of Sikh texts; amazing and beautiful!

At Your Command!
