“ My deepest sympathy & condolences to the family of Ms. Ursula Thaxton. She was one of my best friends and my neighbor. Its difficult for me to think of her in the past tense. I moved in the block in 2004 and met Ms. Ursula through my husband & her great great niece Jameira who use to play with my daughters Ikea & Iesha. She loved her family & she loved the Lord. She read her Bible daily. Through time we would have conversations, confide in one another, visit one another's homes, and do special things for each other. Ms. Ursula attended my wedding at the courthouse in 2008. She came with me when i needed surgery. She also helped me when i was going through tough times by getting my mail for me. One thing we did together was attend her first Crab Feast. She liked crabs. We had fun. Often she would speak of family & friends and memories. Sometimes during the summer we'd sit outside on the steps for hours. I miss her already. No more phone calls or chats sitting in our homes. But to be absent from the body is to be present with God. No more pain, disappointments, and tears. She is alright now. Rest in peace Ms. Ursula. Love always. 💖💋
