“ I have so many happy memories of you, especially from our childhood and visiting at the farm in Bracey. Dancing to Motown songs in the living room, playing house under the weeping willow tree in the front yard, going for ice cold soda and candy at the store down the road, long walks and sharing secrets to name a few. You also were the Maid of Honor at my wedding which was very special to me. We didn't see each other often in later years but you will forever be in my heart dear cousin. Peacefully rest now.
