

Valerie Denise Henson

December 9, 1967 - December 3, 2011

Valerie Denise Henson, daughter of Walter Henson and the late Gladys Henson-Brooks, was born on December 9, 1967 in Baltimore, Maryland. She lost her will-filled battle with cancer on December 3, 2011.

She received her education at Lake Clifton Senior High School, where she excelled on the School's swim team. That skill later assisted her in becoming a lifeguard for Parks and Recreation.

She later attended the Westminster Police Academy. Upon graduating, she worked at the Annapolis State Building. She quickly obtained the rank of the first female Head Shooting Range Instructor. She held this rank until she retired earlier this year.

Valerie was affectionately known as Val. She made numerous friends through her love of shooting pool. She made several friends, as she was a member of several APA Pool League teams. She will surely be missed by everyone who knew her.

She leaves to mourn: two daughters, Nichelle Henson and Salina Thompson; one son, Calvin Baskerville; two sister, Janice and Shirley; three brothers, Otis, Wyzella and Joseph; four grandsons, one granddaughter, father, Walter Henson; and a host of other relatives and friends. She also leaves to mourn

her sister-in-heart, Mary McCormick.

“ I am so sorry to hear about the loss of your dear loved one. When a loved one dies the pain, the grief, and the feelings of helplessness can seem unbearable. At such a time we can find comfort in Jesus promise made to all who have loss loved one in death at John 5:28,29 which reads: Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out.”

“ To Joy and family know that God makes no mistakes in anything that he does, but we can rest assured that he knows what is Best for us , God saw the road was getting rough for your mom so he decided to extend His hand and bring her home where there will be no more pain and suffering, what a Beautiful person she was, if we trust and know that God is God we will see her again over in Glory Land.

With all our love
