“ To the family of val

*Valerie was a very nice person. She will be truly missed. Val was well known in the hospital by lots of people, she was very much loved and she also loved her family and kids very much. I am glad I had the chance to know val from our community she lived in and from the work place. She was a very hard worker, me and val use to talk about how we stayed working overtime all the time. love you val and I am gonna miss you .*
