“ Hey mommy, it's you're baby Sierra It has been a rough 6 years for me and I still can't let go. I know that you're watching over me and love me just as much as I love you

“ Hey Mom, This is Dionne I can't Believe we are here at this point again. First you, then daddy, now Peachie, my heart is broken because I am afraid we don't really have a lot of family left, I am holding on with everything in me and just trying to do want needs to be done. But I know I can't nor do I have the time to cry because T. K is going to really need me and I have to be there for him and stay strong for him. We miss and love you so much Take care of Peachie and I am glad I got to spend sometime with her and make her laugh before she went to be with you and daddy. We Love you

“ Hey mommy, It's been 5 long years since you left us, and the wound still seems so fresh I wish that I could hear your voice one more time but I know You're watching over me and the family. I miss and love you so much and I wish that we could have had more time together but I'm glad you're not suffering anymore. I love you and Happy birthday.
