“ It was always great to see Ms. "V" sitting on her porch reading and enjoying the weather. She will always be a great friend who always made every occasion complete with her love and kindness. She was so much more than a neighbor; she's family. She helped me and my family so very much when my mother passed and always took the time to make sure my family and I were doing alright. I can remember how much fun we all had during holidays, cookouts and cool summer evenings. My prayers go out to the family as I know this is a very difficult time. She will truly be missed. I know she and my mom are in heaven now; laughing, joking and playing Left, Right, Center. I love you Ms. "V".

“ My condolences go out to Dave, your wife, your children and your family. I am sadden to hear of your mother passing. I met her on several different occasions and one thing I can say she was the same all the time, and she had that million dollar smile that could brighten up the sky! Stay strong my brother and you know I am here for you if you need me. Love, Lisa Smith
