“ I am so very sorry that you lost your dear loved one in death. Although I didn't personally know him or your family, I'd like to offer some words of comfort from the bible. Sadly, death touches us all sooner or later, and it's particularly hurtful when we lose someone so young. I know, because I too lost my son ay a young age. What comforts my family is the hope of seeing him again in the ressurection. Jehovah God gave his son Jesus the power to raise people from the dead. At John 5:26 Jesus said, "For just as the father has life in himself, so he has granted also to the Son to have life in himself. "And he has given him authority to do judging, because son of man he is." So Jesus raised many back to life including a 12-year old girl. He also raised a young man who was the only som of a woman who was also a widow. At Luke 7:11-16 it talks about this ressurection, and shows the deep compassion Jesus had for people, because verse 13 says concerning the lady, "And when the Lord caught sight of her, he was moved with pity for her, and he said to her: "Stop weeping." then in the next verse he said, "Young man, I say to you, "Get up. "And the dead man set up and started to speak, and he gave him to his mother. Imagine the joy she felt. One day we can have that same joy when Jesus ressurects millions in peaceful conditions. I pray for you, and I hope Jehovah's promises of a better day bring you some comfort.##imported-begin##R Johnson##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ To the family, I offer my sincere sympathy. When we experience the sorrow associated with the loss of one we love, I know it pains us like no other. God's Word, the Bible, offers us comfort. At John 5:28,29 he assures us that "all those in the memorial tombs will hear his voice and come out." At John 17:3 he also tells us what we need to do to ensure we are witnesses of this great event. I offer you an opportunity to discuss these wonderful promises in detail. Please contact me.##imported-begin##Gwen Winston##imported-end##
