“ *I am sorry to learn of the death of Vernon. This must have been a difficult time for all of you. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written. But not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*
