“ To the family, please accept my condolences on the passing of your loved one. Death is a terrible blow to cope with, especially for the family. You have my deepest sympathy. Although I didn't know him, I too had a son who was young when he died. What comforts me is the sure hope of the resurrection as promised in the scriptures. The man in the bible named Job once asked this question, "If an able-bodied man dies, can he live again? Here was the answer. At Job 14:15 it says, "You will call, and I myself shall answer you. "For the work of your hands, you will have a yearning." So Jehovah God yearns for us to live again, that's why he made the resurrection possible. John 5:28,29 tells us, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." Based on those promises, we will be reunited with our loved ones again one day. May those comforting words sustain you during this trying time.##imported-begin##R Johnson##imported-end##

“ I would like to send my condolences to Ms. Ann and Nita and the rest of the family. Vernon will be indeed missed by many. Nothing can describe the pain of losing a love one, but a pastor once told me that death is precious. Vernon is now at peace, he has no more worries and no more pain. Psalms 23:4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me Love Tonya##imported-begin##Tonya Winston##imported-end##

“ Please accept my condolences for the loss of your loved one. There is a wonderful hope for our loved ones who have been taken away by death. Acts 24:15 lovingly tells us - "There is going to be a resurrection." This will take place in a new world with no more death, sickness, sorrow or pain. (See Revelation 21:3-5, Isaiah 65:17) I hope you receive much comfort and strength as you think on these wonderful promises from the Bible.##imported-begin##Sharon Hill##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##
