“ *Skeeter was one of a kind. I was shocked when I heard he passed away around September 2010. He had a special relationship with my Aunt Angie. From their union they had two daughters, my cousins both of whom I love very dearly along with my aunt. Skeeter's in heaven now. RIP, man. Gone too soon.*

“ *What can I say about my Uncle Skeet?
Its so hard to explain the impact that this man had on my life. I got a lot of things from him that I see more clearly now than ever. I absolutely adored this man growing up and we only got closer as we got older. He helped me become the man that I am today. I never even imagined that I could lose him so early. I miss him more than words can express and I pray that one day we will be reunited.*
