

Vicki Elaine Moss

September 1, 1947 - October 1, 2017

Our beloved Vicki Elaine Moss, 70, of Henrico, departed this life Sunday, October 1, 2017. She was born September 1, 1947 in Alexandria, Virginia to William Charity and the late Ruth Thomas Charity.

She had a passion for gardening and spent time in her own garden as well as volunteered at Lewis Ginter Botanical Garden. She enjoyed reading so much she worked for over 20 years at the Tuckahoe Library.

Vicki loved staying active, she was involved with line dancing and could hang with the best of 'em. She also enjoyed running 5k & 10k events for different charities including Susan B. Komen. She was a member of The St. Paul's Baptist Church and was involved in Outreach Ministries that included distributing meals during the holiday season and volunteering with "Toys for Tots." Vicki made an impact on "Marriage to the "Max"; a couples counseling program within St. Paul's and being married over 48 years, she was well suited to offer advice in that area.

Her giving spirit guided her to Ghana, Africa to conduct missionary endeavors. While growing up in Alexandria VA, little did she know that she would blossom into a world traveler visiting Europe, Africa, Mexico, Alaska and several islands. Amongst all her activities and interests however; her faith in God and the love of her family was what she cherished the most.

She was preceded in death by her sister, Beverly Weeks and brother, Rozier Charity. Vicki leaves to cherish her memory a loving and devoted husband, Robert "Pete" Moss; sons, Robert A. (Bridgette) and Gregory M. Moss

(Donna); grandchildren, Robert, Briah and Ryan Moss; father, William Charity (101 years young); sisters, Diane Marshall, Yosie Scott and Doris Wanzer; brother, Michael Charity (Jerry); and a host of other relatives and friends.

“ I first met Vicki Moss when she came to work with me at the old Tuckahoe Library. We instantly became good friends and that friendship has lasted for well over 20+ years. She was such a good person and there was always a smile on her face and a laugh in her heart whenever you saw her. Vicki brightened everybody’s day and when she got to know you well, the laughs never stopped. She loved her life, her family and her friends and if you were lucky enough to become a part of it, you knew you were truly blessed.

It has been an absolute privilege, a joy and an honor for me to have had the opportunity to get to know my friend Vicki. I will miss her dearly but I know (through her faith, her kindness and her blessings) that she is okay. She was a truly wonderful spirit who will forever be one of the best parts of my life.

“ We were so sorry to learn of Ms. Vicki's passing, she touched us deeply. We first met "Pete" and Vicki on our bus trip to Chicago in 2013 - they were so warm and friendly that we felt as if we had known them for a long time. Then in 2015, we were so excited to learn that they would be on our bus trip to San Antonio. During this trip we also found out that we went to high school with their son Robby. Vicki had such a loving way about her which made you feel better whenever you were in her presence, she has left an impression in our hearts. Pete, Robby and family, we pray that God will give you comfort and strength through each day. Take care.

“ *To Pete, Rob, and Greg, your loss is also a loss for me. Vicki and I have been friends since 1st grade. All though our paths went in separate directions we remained in constant contact with each other. Just 2wks ago we had our last conversation with our regular laughter and me reminding her that we are in the winter of our season. Getting old. I will truly miss my Sister and my friend. “ Vicki is one of the nicest people I've ever met. When I was a library student doing my practicum at the old Tuckahoe library, Vicki went out of her way to welcome me and help me feel at home. I was there for three months and she was always ready with an answer to all my questions about how or where things were at Tuckahoe. Vicki was always cheerful, positive and friendly. Exactly the kind of person we need not to lose.

I have known Vicki and Pete most of my life and in later years have reconnected through various travel and reunion events. Both of them have always been warm and welcoming people, as individuals, but as a couple their combined light was even more intense... something fantastic to behold. Vicki was one of us and we all are hurting with her loss. My very deepest condolences to Pete and her entire family.
