“ To George and family, I worked with Vickie since year 2001. She is a wonderful person. I learned many things from Vicki. I want to tell you that may the love of your family and friends surround you and fill your heart as you journey down this new road. I know that this road ahead will bring you many ups and downs. However I know that your loved one being Vicki, her love and presence will always be with you. Be sure to be kind and gentle to yourselves. My prayers surround each and everyone of you. God Bless you and protect you. I have to share with you that she was talking to her grandson the day before she passed, saying, " I just wanted to check on you as I have not heard from you in a couple of days, Silence... then she said. I want you to know that I love you." She love her family and they were her world. I will miss Vicki.

“ *My prayers are with the family. I only worked with Vicki for a few years. She was very hospitable and great at planning office events. You could count on Vicki to have treats on that table outside of her cubicle. I remember when I first started working at Henrico DCSE she had this angel at her cubicle that I really admired. Vicki knew how much I liked it and one day she let me have it. She will be missed and every time I look at the angel, I will think of her. Rhonda Bullock*

*I will always remember our numerous impromptu meeting at various stores & the kindness you showed me during my rough times . Most of all I'll remember the twinkle in your eyes when sharing stories of your children & grandchild. Rest I the arms of Jesus while fond comfort memories comfort those you've left behind.*

“ My condolences to the family. The loss of a loved one is sad and can cause one to feel hopeless. God's word however provides a powerful assured promise for the future. (Rev.21:4). May this promise from our creator comfort & sustain you, helping you endure through this difficult period. (Psalms55:22)
