

Vicky R. Brown

December 6, 1959 - February 15, 2016

VICKY RENIA BROWN, daughter of the late Hazel Brown and the late Clarence Brown, was born on December 6, 1959 in Baltimore, Maryland. She quietly entered into eternal rest on February 15, 2016 at Good Samaritan Hospital.

The second of six children, Vicky accepted Christ as Lord and Savior and became a member of St. John A.M.E. Church of Christ. She grew up in Cherry Hill where she attended Baltimore City Public Schools and further earned a Bachelor of Science Degree in Management — Information Systems from the University of Baltimore. For over twenty years, Vicky worked in State Government for the Maryland Department of Housing and Community Development. She received great enjoyment from her work because it gave her a sense of accomplishment when helping people.

Vicky loved to dance. She loved to listen to people tell stories of their lives, as well as tell her own stories that made people laugh. This was an attribute that she got from both her father and late brother (Spam). She loved her nieces and nephews and they loved her back, even though they thought she was a stern aunt. Truly a people person, Vicky loved to help people in any way that she could. She will surely be missed but never forgotten.

She leaves behind to love and cherish her life and memory: two loving daughters, Jonai Coleman-Lassiter (Donald) and Tyshayae “Nikki” Coleman; grandson, Donovan Lassiter; three sisters, Stephanie Brown, Theresa Brown, Tracey Brown, and one brother, Charles “Chucky” Brown; and a host of aunts,

uncles, nieces, nephews, cousins and dear friends.

Preceding her in death is her loyal friend, Harvey Dixon.

“ Vicky and I worked together at the Maryland Department of Housing and Community Development. She was a co-worker, friend and a great lady. Often encouraging and inspiring me to do greater work here at the agency. One year she gave me the following words on a cup holder, which I still have in my office, so today, I'm returning these words back to her.

"Women Who Change the World"

There are women who make things better...simply by showing up. There are women who make things happen. There are women who make their way. There are women who make a difference. And women who make us smile. There are women of wit and wisdom who - through strength and courage - make it through. There are women who change the world every day...women like you.

“ I am so very sad to learn of Vicky's death. Vicky was my cherished assistant at CDA and together we shared many good times and a tear or two. She was a fine person caring for her family, advancing her career and serving the public well, and invaluable to me. I didn't get to see her much for the last years but I was always proud of what she made of her life as I saw her advance at CDA. My favorite memory is when I taught her to drive. One day she drove through a stop sign at a high speed without even touching the brakes. Happily there was not one coming and we laughed and laughed about that student drive. Seeing her picture looking with that kind face just how I remember her, touches me greatly. Rest in Peace, dear Vicky

“ I have known Vicky since I was a little girl and I always considered her one of my aunties. The memories I remember most were those of my pre-teen years when she would come and spend the weekends at our house when my cousin Jonai was a baby. We would stay up laughing and talking about everything under the sun. She always treated me in a way that made me feel important and loved, even as a young person.

I will miss her laugh: it was always happy and her attitude was always outgoing and filled with hope. Those fun moments we shared and laughed about will always bring a smile to my face. She will be sorely missed.

I send my deepest and heartfelt sympathy to Jonai, Nicky and the entire Brown Family. You are and will always be in my thoughts and prayers.

Lovingly,

My deepest sympathy to Vicky's entire family. If you had the pleasure of being around Vicky you knew it would be a blast laughing and cutting-up because Vicky always KEPT IT REAL and made it FUN to come to work! When Vicky called this past October just to chit chat, I didn't realize it would be our last chat (we're both Sag and she always called every year just before our birthdays.) I'll miss Vicky dearly! (Set-it-off, Gurl!) Vicky and I use to dance and dance to that song at The Forest. (She loved that song!) and it will forever make me sad to hear it, when it once made me dance and think of Vicky Brown, ILY Gurl! An Angel just got her wings!
