“ Hi my name is James Quintero. Victor and I worked together in South Florida some years ago. we shared some time together on a work related trip to Puerto Rico. It was a beautiful time we shared together. He always called me ( Primo ). We stayed in contact through the years. I know he loved his mother dearly. I will always remember him for his beautiful bright smile that always lit up what ever room he was in. He will always be missed. May he rest in peace.
