“ Dear family, may you recieve much comfort for the loss of your precious little one. It broke my heart when I saw the picture of her on my computer, and I pray that you all will recieve all the comfort and strength that you need from our loving heavenly father of tender mercies. Believe me, this is not his purpose. He takes no pleasure in seeing a helpless baby in pain, and dying at such a tender age. He hates death, and calls it our worst enemy. 1st Cor:15,26 tells us that soon this enemy will be brought to nothing. Imagine a day when your precious baby will be able to live eternally in peace and happiness. All obedient and faithful children of God will have this precious blessing. Please allow the scriptures to be a source of comfort to you, because it tells us of Jehovah"s wonderful purpose for people. Please contact me on my e-mail to see how these wonderful blessings will come about. Take care family, and may you be comforted by the hope of the ressurection.##imported-begin##R Johnson##imported-end##

“ *Tori, I feel like I was eternally blessed by your life! You were god's little miracle to us and I'll hold you close to my heart forever and always. I've never prayed so hard for someone in my entire life until I witnessed your birth and all that you endured while you were here. I watched you in amazement- so tiny- but full of god's breathe and living proof of his promise to my loving sister shelly. He loaned you to us for a short while but your mark was already made and our hearts will be forever grateful. Your life was a lesson to me and I will never forget you, little angel sent from heaven. You are my godchild and I plan to see those kicking little feet again in heaven. Love, Aunt Sara*###imported-begin###Aunt Sara###imported-end##
