“ *It's been five years since you left us and your family misses you as much today as we did then. You live in our collective memories and we're thinking about you always, just a bit more than usual on this February 26th.*

“ Happy Birthday, my brotha! I sure do miss you as there's been so much happening that I knew we would have spent hours discussing. (the economy, Obama, Michael Jackson, the Ravens, the Yankees, Tiger and so much more) You remain so much a part of my thoughts and those of your family. Your Brother, Noel###imported-begin###Noel E. “ Vince, it's our time of the evening when it is too late for me to be up in Maryland but early enough for you to receive a phone call in California. You are always with me and I find comfort in your presence. I love you so very much and it hurts to not be able to hug you or punch your arms upon greeting you. I still listen to your words of encouragement each day and cherish my memories. So many fond memories, like the "Henry Herbert" phone caper for robes for the choir! What a blast! I miss you Vince. Until we meet again, love always... Your Sista###imported-begin###Henrietta###imported-end##
