“ *So sorry for your loss. But the Bible promises us that one day 'our flesh will become fresher than in youth' and that we will 'return to the days of our youthful vigor.'(Job 33:25) The Bible makes it clear that death, old age, and sickness were NOT part of God's original plan for mankind. He will get rid of all those things that cause us pain and grief, and we are promised by Jehovah himself that we will be reunited with our dead loved ones. We look forward to that time!###imported-begin###lockley###imported-end###*
