“ *Viola Mason*

“ *To the family and friends of Viola Mason I send my deepest condolences to you. In the Bible book of Ecclesiastes 9:4 it states: "For the living are conscious that they will die; but as for the dead, they are conscious of nothing at all" which brings out the point that the deceased do not feel pain, sadness, troubles or anything at all as if living--death can be liken to a sleep state of mind. However all deceased persons have the opportunity to live again through the means of Jesus Christ death which gave all mankind a hope. In the Bible book Of Revelation 21:4 it gives the promise of: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." The scripture demonstrates that in a soon time period death will never again occur, no pain of death. I hope that these scriptures have brought you comfort and hope to see your loved one again.*

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
