“ I am very sorry to learn about the death of Viola. This must have been a difficult time for all of you. Psalms 90:10 says that the usual human life span was 70 or 80 years. this was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##lJT Nunnally##imported-end##

“ May I send my condolences to you all , the family of Ms. Viola living for 91 years . Great indeed to have shared so many wonderful times together, the bible states , a man named Job raised the question: " If an able-bodied man dies can he live again?" Then he answer: "I shall wait {in the grave} until my relief comes.{GOD} will call, and I myself shall answer." Job 14:14-15. What a joy it will be when that time arrives and the dead are reunited with their loved ones! I am looking forward to that time coming in the near future.##imported-begin##Lillian Crosby##imported-end##
