“ I offer my deepest condolences for your loss. I have learned through my study of the bible that sickness and death is about to be done away with forever. Death has been the enemy of man since the dawn of time. That is why God promises at 1st Cor 15:26: "As the last enemy, death will be brought to nothing." Jehovah does not forget those who have died, and he promises at John 5:28,29 that all of those who are in the memorial tombs will hear Jesus"s voice and come out of those tombs to everlasting life. I offer to share with you how these wonderful blessings will come about, so please feel free to contact me at my e-mail address. May your precious memories of Virginia help you to cope in the days to come.##imported-begin##R Johnson##imported-end##
