“ I was thinking about all the people that meant a lot to me in my life And Virginia quickly came to mind .I was a young Nurse at John's Hopkins and worked many many years with Virginia she quickly became one of my favorite persons along with Willa Pully and others. Virginia was the kindest person I ever met and if I ever needed any help she was always right there helping me. I moved away from Baltimore in 1987 and missed my Co workers imensley especially Virginia she took me under her wing so many times and I learned so much from her. I saw her a few times when I came back to Baltimore but have not been back since 1995 and had no knowledge that Virginia passed away
Breaks my heart to think I never got to say goodbye to my friend.
Rest in Peace dear friend, I know you are with God because you were such a good person and dedicated your life to taking care of God's children.
I will be looking for you when my time comes and will once again see someone that had a great impact in my life.

“ To the Turner's Family: I am sorry to learn about your loss. I send my sincere condolences to the family and friends. It may seem unfair that sickness, which can cause death, has the power to take away someone that we love. The Bible is comforting in this regard. At Isaiah 33:24 states, " No resident will say I am sick". Also, at Isaiah 25: 8, Almighty God promise to swallow up death forever. Yes, Almighty God, through his Son Jesus, will bring back our dearly beloved ones-Acts 24: 15. I hope these Scriptures have prove to be a source of comfort for you now and in the days to come.##imported-begin##Denise King##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
