“ I wish to express my sincere sorrow for the loss of Vivian Smith. This world will be a poorer place without her. It was my privilege to share a little bit in her rich life and to know her loving family. I will always remember her wonderful sense of humor and strength in the face of serious health problems and significant adversity. She went through a lot that a weaker person may not have withstood. I extend my warmest regards to every member of her family and friends and hope you find comfort in her contributions to all who had the good fortune to know her. The residents, faculty and staff of the Family Health Center will all miss her!###imported-begin##Joyce E. King, M.D.###imported-end##

“ Nay, my deepest thoughts and sympathy are with you and your family in your time of sorrow. Just know as I pray for you all HE is also touched with your grief and able to bear your burdens. So, trust in HIM with all thine heart and lean not to thine own understanding. In all thy ways acknowledge HIM and He will.... “ I'm so sorry to you all that you lost your loved one. Rest assured that she is in no pain, and is resting in death until Christ awakens her from sleep. John 5:28,29 tells us, "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his (Jesus"s) voice and come out. May the thought of one day being reunited with Vivian again bring much comfort to you in the days ahead.##imported-begin##R Johnson##imported-end##
