“ I wish to share my deepest sympathy to the family of Mr Witherspoon. Death is something that was never intended to be part of mankind. Our Creator Jehovah will soon stamp out our enemy death forever. John 5:28,29 give us comfort when it says "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear voice and come out, those who did good things to a resurrection of life, those who practiced vile things to resurrection of judgement".##imported-begin##K.
