“ *To the Family and Friends of Walter Carter,*

*I express my deepest condolences to you all at this time. I can surely sympathize with the pain you are going through because like everyone else here on this Earth I have lossed a loved one in death. God's Word describes death a sting becaus it causes us so much pain and grief. Wouldn't it be great if we could just eliminate this enemy today. Well although we can not, it willl be gone in the future. At Revelation 21:4 we read, " And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Jehovah sets out this hope before us and it is no doubt very encouraging. What a wonderful thing it will be for death to be a thing of the past. My heart goes out to you at this time and your family is definitely in my prayers.*

“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*
