“ *Please accept my deepest condolences and sorrow to your family, on the death of Mr. Stanley. When we lose a loved one, it can be almost too painful to bear, and even more hard to comprehend. This is because death was never a part of our Creators ' original purpose. It is unnatural. That is why we read in His Word ,that death is an "enemy"...that will soon be "swallowed up" or eliminated forever (Isaiah 25:8). May your family draw much comfort from the wonderful promises found in the scriptures. Jesus tells us at John 5:28,29 " Do not marvel at this....all those in the memorial tombs will come out". His Father Jehovah God promises to bring our loved ones back to life in the resurrection, to here on earth, in the very near future (Psalms 37:10,11,and 29 also Revelation 21:3,4). Please know, these are not empty promises . He can and will do this, just like the nine documented cases recorded for us in the Bible. May these truthful words from God himself bring you and yours some peace of mind , and be a salve to your broken hearts(Isaiah 55:11).*
