“ I will always remember Wanda's amazing laugh, and her great smile. She had a way of making you feel good when she asked about your day. I will miss her asking "how's hubby?" everytime I saw her. She had a way of remembering what was going on with everyone who came through her register line, and would ask if things were better, or if their loved one was doing better....whatever the situation, she would always check up on them. She is gone, but never forgotten, and I am blessed to have been able to get to know her, and be touched by her spirit. To her family, my prayers go out to you all during your time of great loss. I pray that God will send his holy comforter to help you all through your pain. I also pray that God will continue to put his loiving arms of protection around you now, and always. “ Wanda worked in the Cafe of the building I work in. She always had a smile, said hi, and asked about my son frequently. Even if she was having a bad day, she always had a smile. Miss Me But Let Me Go
Miss Me But Let Me Go - Unknown

*When I come to the end of the road
and the sun has set on me,
I want no rites in a gloom filled room,
why cry for a soul set free.
Miss me a little--but not too long,
and not with your head bowed low,
Remember the love that we once shared,
miss me--but let me go.
For this is a journey that we all must take,
and each must go alone.
It's all a part of the Master's plan,
a step on the road to home.
When you are lonely and sick of heart,
go to the friends we know.
And bury your sorrows in doing good deeds,
miss me--but let me go.*

“ To the family of dear Wanda,
I send my heartfelt condolences and I am very sad for your loss. I pray that you feel God's presence as He walks with you during this time. I have known Wanda for over 3 years as I've worked with her at Capital One. She is truly one of the most kind, genuine, sincere people I have ever met. Wanda and I always shared stories of our children together, and she was always so proud of her daughter. Her face would light up like the sun, and she'd smile her beautiful smile whenever she'd tell me about her daughter. She always impressed me with her strong work ethic and love for her family and daughter especially. I admired her for being so strong and so cheerful. The world is a better place because of beautiful Wanda and she will be sorely missed. May God comfort you and may you know that I will pray for you all from my heart. We will carry her with us in our hearts. God Bless you.

“ I send my deepest condolences to the family at this most difficult time. May you be comforted by the promise of the resurrection, and the end to sickness and death forever. God makes this wonderful promise to us at Isaiah 25:8. So soon death will be no more, and we won't have to bury our loved ones ever again. At John 5:28 God promises that all those in the memorial tombs will hear the voice of his Son Jesus, and come out of those tombs. May you find comfort in these wonderful promises from Jehovah God.

“ Samiyah and Family,
Please know that you are in my thoughts and prayers at the loss of dear Wanda. She always had a smile on her face and a kind word to say to everyone she came into contact with at Capital One. She always had stories to share about her beautiful daughter and what she was going to be doing on her off time. The Cafe won't be the same without her. She will truly be missed! God Bless You

“ *Samiyah and Family,
Words can't express the sorrow in my heart. Wanda was just like family to me and losing her is hard to grasp. I can still see her bright smile and hear her calling out "hey sis...." in the cafeteria. She will always be in my heart and thoughts and if there is anything that I can do for you, I'm just a phone call away. Love you all.... Monica Crews*
