“ Dear family of Wayne,  
Please accept my sincere condolence at the loss of your son. When faced with the death of family members I have been able to find comfort from "the Father of tender mercies and the God of all comfort who comforts us in all our tribulation.." 2 Corinthians 1:3,4.  
May this provide you with comfort as well.

“ Wayne you kno we went through our ups and downs and always found a way back to each other somehow. That doesnt even matter because all the good times we had make it seem like nothing ever went wrong. You will always be my friend. I'm going to miss your hugs and your laugh and your smile. I'm going to miss your random pop ups at my house for no reason, just to say hi and you love me. (Even though you parked horizontally across like four of my neighbors parking spaces) Lol. Going to miss sitting in the mcd's parking lot at 1 and 2 in the morning eating sundaes laughing and joking. You left me with a lot of good memories that I will cherish until the day we find our way back to each other like we always did. I Love you and miss you.
