“ Hi ! Knight's ! I would like to take this time to share my fellow feeling with you all in losing Wendy. Wendy was 39 years old when she died. There were so many woderful things she did to help and make people happy. The world would a better place to live if more people did things like her. Our lord Jesus Christ helped and resurrected his close friend Lazarus back to life as John11:19-44, Joy filled the hearts of his family and Jesus. Our eyes of tears will become Joy and happiness when many of our dears loved ones come back to life. I am looking forward to that happening very soon as the bible says. May the support of you family and friends and caring thoughts of others like me strenghten you all to keep praising the great name of our creator Jehovah God. My fellow feeling be with you all, Lillian Crosby.##imported-begin##Lillian Crosby##imported-end##

“ Dear family, please accept my condolences for your loss. To the children, I know you miss your mother, and long to have her here with you. Losing her I know is a heartbreaking situation for you to bear. The bible has many comforting words to reflect on when we grieve, and also hold out the promise of being reunited with them again in a new world of peace. Think about this: If all violence, wicked people, sickness and death were eliminated then this world would be a wonderful place to live in. Well, dear family, that is God's purpose for us; for his will to be done on earth just as it is being done in heaven. One day the memories of what we suffered through in this life will be erased from our minds. Isaiah 65:17 says: "For here I am creating new heavens and a new earth, and the former things will not be called to mind, neither will they come up into the heart. Daughters, please contact me on my e-mail so I can offer you more words of comfort, and also help you to understand how you can be reunited with your mother again. May Jehovah and Jesus comfort you in your tribulation.##imported-begin##R Johnson##imported-end##

“ I would like to send my deepest sympathy to the love ones of, Wendy R. Knight. Please allow Jehovah God to bring you comfort at this time; he knows how you feel. He felt the pain that death brings when his son, Jesus Christ died, and because he knows how death feels, he has made a promise that one-day, death would be no more. Isaiah 25:8 "He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces..." Jehovah cannot lie. --Hebrew 6:18.##imported-begin##D.Kennedy##imported-end##
