“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be "a resurrection of both the righteous and the unrighteous."—ACTS 24:15. I'm sure you would love to see your loved one again in the coming Paradise here on earth! Again so sorry for your loss!!

“ To Aunt Minnie, John, Jackie, Joyce, Linda, Lisa, and Miller Family,

*My heart is heavy as I reflect on the loss of our beloved, Wesley Herbert Miller, Jr. I was looking forward to us all gathering together next month. I am grateful for the time we spent together at Aunt Magaline's house last June. Wesley and I were determined to eat Aunt Magaline's ham along with all the good food she had prepared. I have a photo of Wesley and I laughing and standing in Aunt Magaline's kitchen. I will treasure the photo...it was my last moment with him...and I did not even know it...which makes me sad. I was so happy to be there with all of you. It took me back to my days as a kid when our Nana would bring us back home to Richmond from New York. I miss those times of us being together. Wesley will remain in my heart and thoughts. Please accept our deepest sympathy. My family and I will keep you all in our prayers . The Lord is close to the brokenhearted. He will comfort and keep you.*

*Love,*

“ *I will miss my brother, we haved shared so many special times together. My heart breaks. I loved him as child, I loved him as an adolescent, I loved him as a man and now I will love him as an angel. God loved him more than I could ever possibly love him, so I will miss his smile, his joking and his physical being here on earth but I know that I will see him again one day and all will be well with my soul. Go with God brother! Peace be unto you!!! I LOVE YOU AND I WILL NEVER FORGET YOU!!!*
