“ *My family and I offer our deepest sympathy to Mr. Lyon's family and friends. As you reflect on his life and draw comfort from your precious memories, remember the One who is the source of life has given us a source of comfort doing times like these. The hope of the resurrection mentioned at Acts 24:15. We can find comfort in this hope because Hebrews 6:18 tells us it is impossible for God to lie. Let him be your source of comfort.###imported-begin###Gwen Winston###imported-end###*

“ I would like to express my deepest sympathy to Mr. Lyons' family and friends. The loss of a dearly loved one can be very painful and difficult to bear that's why the Bible calls death an "enemy." But please be encouraged to know that 1 Corinthians 15:26 and Revelation 21:4 promises us that God will do away with that "enemy" and all the pain it causes. Then, "many of those asleep in the ground of dust will wake up," according to Daniel 12:2. May you continue to find comfort and strength from God's Word.##imported-begin##Valerie Johnson##imported-end##

“ I am sorry to learn of the death of Wilbert. I'm sure that this must have been a difficult time for your family. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. That was true when Moses wrote it, but was not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says, It is reserved for men to die once for all time. This, too, was true when it was written. But not the case before God passed judgment on sinful Adam.##imported-begin##JT Nunnally##imported-end##
