“ *I give my condolences to the family on such a loss. There will soon be a time when no one will lose there life due to sickness because no one can be sick (Isaiah 33:24). We can also greet our loved ones again during the resurrection that God promises us (Acts 24:15). Conditions will be much better after that time (Revelation 21:4). May you be comforted.##imported-begin##K Adams##imported-end##*

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ Hi Freeman's ! I send my condolences to the family. Time goes by very fast. It will soon be a year since Mr. Wilbert die. The bible say that some will live to be 70 and because of mighteness some to 80's .Mr. Freman lived to a long time.It would be the greatest thing to live forever never wondering when we would die. That time is coming very soon for many to see and feel what it is like. May the many promises found in the bible lead us to a perfect life of joy and happiness forever. Sincerely, Lillian Crosby.##imported-begin##lillian crosby##imported-end##
