“ Sending prayers and my deepest condolences to my family for the lost of such a sweet person. I remember Kenneth as far back as my memory goes as a child. Always visiting my Nana and Papa as well as seeing him when we visited Baltimore. All my memories of him are good. Laughing, smiling and always happy, I can't remember a time when I ever saw him angry. We were blessed to have him in our family and I know he will surely be missed. We love you Kenneth our problem solver.
