“ *I send my deep sympathy to the family at this time. Losing a loved one in death is so hard to come to terms with, because we want our loved ones here with us forever. Did you know that Jehovah God desires the same thing for us. His purpose is to have a paradise world full of happy secure people, and in the near future his purpose will be realized. Adam by his sin, lost out on eternal life for us, but Jesus, by his obedience made it possible for us to regain what Adam lost for us. 1st Cor 15:22 puts it this way, "For just as in Adam all are dying, so also in the Christ all will be made alive." At John 10:10 Jesus said, "I have come so that they might have life and have it in abundance. By his loyalty to his father, and due to the ransom price he paid for us with his precious life, we will one day attain to everlasting life. Even the dead will share in these blessings. John 5:28,29 tells us that the dead will hear the voice of Jesus, and they will come out of the memorial tombs. May you be comforted by this wonderful promise, which will soon become a reality.##imported-begin##R Johnson##imported-end##*
