

William Anthony Berry

January 5, 1980 - September 30, 2006

On Saturday, September 30, 2006, William Anthony Berry III, son of the late William Anthony Berry Jr. and Vernessa Yvonne Williams was called home by God to be with Him. He saw that His garden was missing a flower and Anthony was that perfect flower to add to His beautiful garden. William, affectionately known as Anthony, by his family and Will by His friends, attended Baltimore City Public Schools. After High School, he attended several colleges such as Villa Julie and Keyston. Due to health problems, he was just shy of a semester from graduating with a degree in Physical Therapy with a minor in Computer Science. Anthony was a very well liked young man who enjoyed traveling, computers and especially cooking for his family and friends. He would ask Granny and Mommy to be his taste testers (Guinea Pigs). They didn't know what nationality or origin of it's taste but ate it anyway. He is survived by his loving mother, Vernessa Yvonne Butler-Williams; stepfather, James Tyrone Williams; two brothers, Delmarco Deshane Berry and Donyane DaJuane Laquinn Cromer; two nieces, Deasija Vernessa Berry and Sha'mya Aynelle Cromer; three grandmothers, Lucille Butler, Joyce Berry and Mary Ann Williams; one great grandmother Julia White; one great aunt, Gwendolyn Bailey; two great uncles, Harman White and Wayne White; eight aunts, Monjecta Johnson, Tisha Butler, Tonya Butler, Valerie Saunders, Linda Waddell, Sandy Nole, Felicia Frazier and Tania Berry; three uncles, Daonald Butler, Damon Butler, and Dwayne Johnson and a host of nieces, nephews, cousins and friends.

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Dear family, I am truly sorry for your loss. Death is the hardest thing we have to bear especially when one is so young and promising. I can feel your pain, because I also lost my only son at a very young age. What helps me to cope is the sure hope of the resurrection, by means of which we will be reunited with our loved ones again. While on earth Jesus resurrected many, including Lazarus who had been dead for 4 days, and a 12-year old girl. Imagine the joy of her parents when she came back to life. We will one day soon experience that same joy, because Jehovah God loves us deeply, and so does his son Jesus who gave his life for us so that we might live. Jesus himself said stated at John 10:10, "I have come that they might have life and have it in abundance." So family put your trust in God's promises, because his word never fails. We will see our loved ones again! Peace be with you. If you ever need to talk to someone who's been there, please contact me.##imported-begin##R Johnson##imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ I am very sorry for your loss. He was a good person who was loved by many. The Bible gives us comfort in such stressful times as this. At John 5:28,29 it says, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life." This is a wonderful hope that we will soon be able to see our departed loved ones again, alive! I hope you can find some comfort from these words.##imported-begin##Joseph Hill, Jr.##imported-end##

“ My sincere condolences to the family and friends of Mr. Berry. It is truly unfortunate that you have to experience such a tragic loss. Please be comforted by Almighty God words which says at Isaiah 25:8 "He will swallow up death forever...for Jehovah himself has spoken it." Yes, Almighty God will eradicate death forever and will make it possible for our dead love ones to be resurrected under peaceful conditions. (Acts 24:15) Yes, it will truly be a embarrassing event.##imported-begin##V Adams##imported-end##
