“ *Please accept my condolences for your loss. The death of a loved one is something no family should have to deal with. It was never God's purpose for us to go through such devastating pain. This is why Jehovah sent his only-begotten son Jesus, so that everyone exercising faith in him might not be destroyed, but have everlasting life. John 3:16. Jehovah has given authority to his son to bring many back from the dead, Just as Jesus did while he was on earth before. John 5, 26-29 says: "For just as the father has life in himself, so he has granted also to the Son to have life in himself. "And he has given him authority to do judging, because Son of Man he is. "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." Many will soon be ressurected back to paradise conditions. May you find comfort in God's word, as well as in your precious memories.##imported-begin##R Johnson##imported-end##*
