“ *I send my deepest sympathy to the family of William. If we die, will we ever live again? That is the question men have pondered over for many centuries. The bible man Job also pondered this question. At Job 14:14 he asked: "If an able-bodied man dies, can he live again? verse 15 says, "You will call, and I myself shall answer you. "For the work of your hands you will have a yearning." So Job knew that Jehovah God yearns to see his faithful servants alive again, and he has entrusted to his son Jesus, the wonderful work of of ressurecting the dead back to life. John 5:28,29 tells us that the dead will one day hear Jesus's voice, and they will come out of the memorial tombs. May the hope of the ressurection be a great source of comfort to you in the days ahead.##imported-begin##R Johnson##imported-end##*
