“ *My sincere condolences to the family and friends of William. In difficult times such as this, it is comforting to know that the bible is a source of comfort and encouragement. John 11:25 expresses a resurrection hope that we can benefit. May you all pray and rely on the God of Comfort now and in the future.##imported-begin##V Adams##imported-end##*

“ *Pleas accept my regrets. The Bible makes it clear that death was not a part of God's original purpose for the earth. But we are comforted when it tells us that there will be "new heavens and a new earth."(2 Peter 3:13) At that time, death, old age, and sickness will be done away with. We anxiously look forward to that time.##imported-begin##lockley##imported-end##*
