“ *Billy the kid. I'm in disbelief. I met dear old Billiam as my neighbor when I bought my first house. Billy the great quickly became a staple in my family. Billy saw people for the souls they were. Billy was always great for a boost of confidence, a drink, a smoke and a game of rummy. Everyday was a good day when you were Billy boy haha. Billy you old goat, I can't believe you left me here sans husband! Billy always asked for help with the phone lol I was his technology guru. Billy became my dearest friend and I'm so so sorry he's gone. Cheers to you, you old goat! May you rest in the pimpest of peace. I love you, you better be there to welcome me to the neighborhood 😊 My sincerest of condolences to the family. I have tons of photos and funny videos of Billy please contact if you'd like them. Would love to stay in touch with you 💕*
