“ William Herndon was my grandad and the only Father I ever really knew. He loved me beyond words could ever express. His passing is one of the most painful experiences in my life but I know he is in a better place. I will never forget the warm words he had for me in hard times. No matter what I was going through he could make me feel at peace. The last conversation I had with him he cried to me saying how much he loved me and how proud he was of me. He told me to keep pushing on to my dreams and just keep going. He told me that time goes fast so don't waste it. Bebob I will always love you forever. I hope your at peace and with your siblings and Grandma Grace your MoM. You will truly be missed. You will live in my heart forever. Until we meet again~Shenita Your Granddaughter. ❤️❤️❤️

“ To my father William Herndon from Joy .May you rest in peace . My last memory is you and I sitting at the dinning room table eating crabs . Thank you for all the trips to Annapolis to share time with my Grandmother, Aunts ,Uncles and Cousins . Providing for our household and many words of wisdom. Everytime I walked in the house you always greeted me with "How's my daughter " The life lesson that I learned from you is "Abundance" you always had more than enough to share with friends , family even the neighbors. So sorry you had to go But I do realize God needed a Hero and he picked you .
