“ *Mrs. Holmes and family, I know this is a difficult time but it is also one of blessing because he no longer has to suffer and you no longer have to watch him suffer and can't fix his pain. Mr. Holmes was one of the nicest people I have ever met, he had an infectious laugh and a natural sophistication about himself. My husband and I appreciated him inviting us to the St. Paul dances and we always enjoyed ourselves. I enjoyed the stories he shared from back in the day that would have me laughing but my husband and everyone else laughing and commenting on. God is good, you all take care of yourselves and stay strong in the Word of God and everything will be alright. The Williams family*

“ Dear Holmes Family,  
My husband Luis Alejandro and I wanted to share our sincere condolences for your loss. Mr. Holmes was our wedding photographer and I will never forget the care and concern with which he worked with us. When we had nothing and were not sure how to do anything, he made having beautiful wedding pictures affordable for us. We know he will truly be missed, and we wish you peace and strength at this difficult time.  
Thank you so much,  
Khadijah Luqman and Luis Alejandro Giron Lopez.
