“ *please accept my heartfelt condolences. Death is truly a devastating event that no family should have to go through. This was not Jehovah's purpose for people when he created them. Soon his wonderful purpose to have a world of peace and security for all obedient people will be fulfilled. There will be no more violence, sickness, pain of any kind, or death at that time. Then 1st Cor 15:26 will be carried out which says, "As the last enemy, death will be brought to nothing." Then a great resurrection of the dead will occur, because Acts 24:15 promises that there will be a resurrection of both the righteous and the unrighteous." All those in the memorial tombs will hear his voice (the voice of Jesus) and come out. May you be comforted as you reflect on the promises of God that are found in the bible. “ My sincere condolences to the family and friends of Mr. Crockett. It is truly unfortunate to experience a family member in death. Please be comforted by Almighty God words at Isaiah 25:8, "He will swallow up death forever...for Jehovah himself has spoken it." Yes, Almighty God will eradicate death forever and will make it possible for our dead love ones to be resurrected under peaceful conditions. (Acts 24:15) Yes, this will truly be a embracing event.##imported-begin##V Adams##imported-end##
