“ *My deepest sympathy during your time of sorrow. The Bible helps us to appreciate how Jesus feels for us when a loved one dies. John 11:35 tells us that Jesus gave way to tears upon learning of the death of his friend Lazarus. This gives us assurance that Jesus cares for us during this time of our grief. Jesus also comforts us with the hope of a resurrection. (see John 5:28,29)##imported-begin##Mildred##imported-end##*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Uncle Bud, Aunt Ann, Renee, Vanessa, Keith, and family: My prayers and thoughts are with you today. I love you and know that we have always been a family of faith in God as witnessed by His Son Jesus, The Christ. As we approach this our first Thanksgiving without our beloved "Beanie", we can rejoice that he is spending his first Thanksgiving with the author and finisher of faith. While we must "toil" here a little while longer, Beanie has started enjoying his inheritance. It brings me comfort to know that he was met by those who had set a pattern of faith for him, greeted him upon arrival, and are watching with him, over us. Rejoice because those who live and die in the Lord, shall always live and as long as we live, "Beanie" will never die. Continue to "Believe". Love always, your neice, & cousin, Edith##imported-begin##Reverend Edith Mitchell Shokes##imported-end##

“ Grandmother & Grandfather, I am so sorry for your loss and I want for you to know that you are in our prayers. The Perry family is the strongest family that I have ever met. Whenever tragedy hits, you always find a way to turn it into something positive and that says a lot about you all. May "GOD BLESS" you and the family. Do not cry because Beanie is gone, instead laugh because he is smiling down on us.##imported-begin##Shanae##imported-end##
