“ *On this day I say goodbye to the greatest dad in the world. God took his angle home to heaven because you had fought the fight of a champion. Dad I love you and will miss you. I told you I loved you every time we were together and now that you are gone I will continue to say I love you everyday. Dad I wish we would have had more time together, and for you to hug me one more time. Love your daughter Vicky*

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!

“ To the Latney family: I was sadden to hear of the passing of Mr. Latney. May the memories of him help to ease your pain of sorrow. The Scripture at Acts 24:15 brings out ,” There will be a resurrection.” We can see Mr. Latney again; right here on this earth but under different conditions (Psalms 37:9,10,11 & 29). I hope these words can bring you a measure of comfort until the fulfillment of them. Love,

To Magnolia and the entire Latney family, Herman and I are saddened to hear of the physical separation of your dear husband "Man," and a true loved-one to many others. When we saw you just a few days ago we did not realize we would hear this news so soon. But know that we are praying with you in the spirit, and that God is holding each of you in His strength, just as He is holding "Man" in His loving arms. I know that you and the family have loving memories that will outlast the days of sadness that will vanish as the weeping ceases, and is replaced with the joy of having had him in your life.
