“ To AJ, from Will's Karaoke family, please extend our sympathy to your entire family and let them know how much we share their pain at this sad time.

We were so very sorry when we heard of your loss. Your father had become a good friend to us all in recent years and his passing is a terrible tragedy for all of us who knew him. You and your family have our deepest sympathy.

I know that he came from a good family and that you loved him very much, as he did you. He always spoke in the most glowing terms of how much his family meant to him.

Your father was an inspiration to us all. We admired all those wonderful qualities that made him the special person that he was. He had intelligence, wit, charm the voice of a song bird and a caring heart that made him a great friend.

We the Karaoke family will always be thankful that we had the opportunity to get to know him and to call him a friend. We will cherish his memory for years to come. We pray that you feel Gods comfort during this time.

With Sympathy,

Dot Johnson and the Karaoke Family
