“ Nikki, it saddened me to hear the passing of my brother and your father. I share in your grief. My faith tells me that Neal has gone to his eternal rest. It gives me solace to know that he is at peace. His last conversation was that I am "ready when the Lord calls me home." I don't recall my brother ever getting angry or raising his voice. I will missed him so much. We will keep you and family in prayer and my brother will always hold a "special place " in my heart.
